

School Fee Agreement

Every September a School Fee Agreement is signed and submitted for every student. An optional \$5.00 School Council Fee is collected. This past year School Council used some of those funds in the following ways

- The first School Council \$500.00 scholarship was to presented to honor a grade 12 student who is exemplary in their academics, school and community service. Jeff Davies was the recipient. [Click to read me more about Jeff Davis and the scholarship.](#)
- The Learning Centre was presented with three much needed Ipads.
- The Sports Medicine Department was presented with 2 Mannequins, to enhance teaching for teachers and learning for students.

School Council would like to thank all parents and guardians for their School Fee Participation and hope to continue giving back to the School and Students!!
